## Brainstormed Ideas for *Menu-Base Navigation*

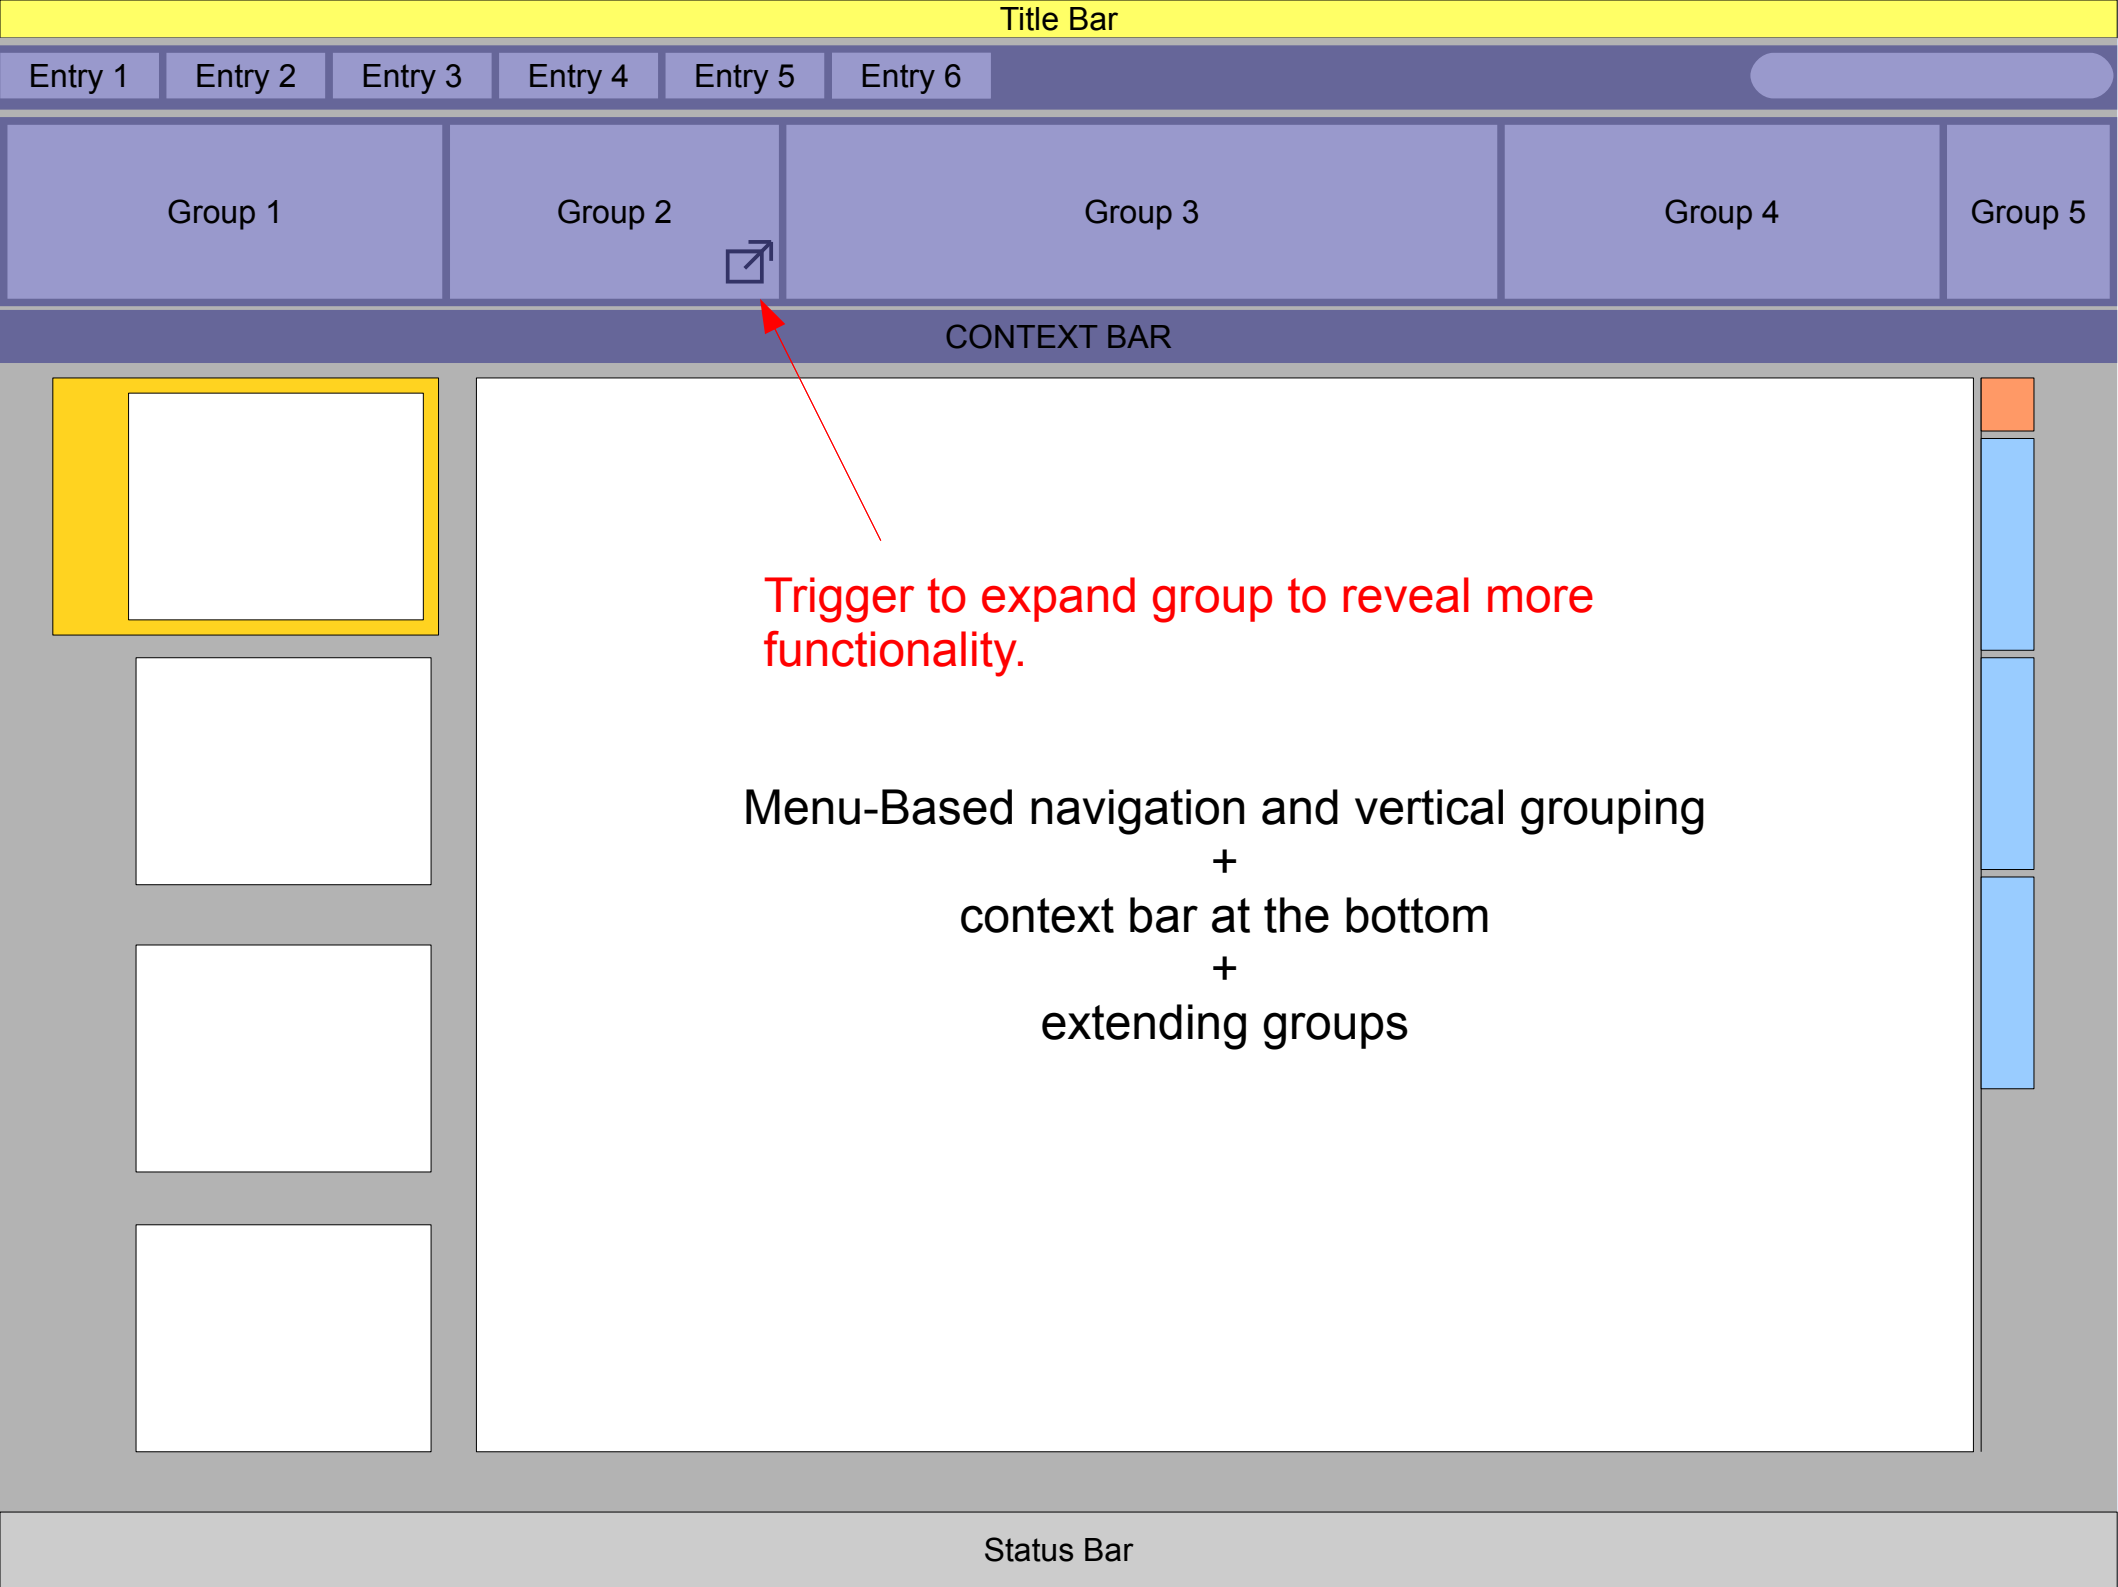

Project Renaissance UX Team

Group 3

CONTEXT BAR

Trigger to reduce group to view less  
functionality.

Might also reduce when mouse is clicked  
somewhere else outside the group.

Menu-Based navigation and vertical grouping  
+  
context bar at the bottom  
+  
extending groups

Menu-Based navigation and vertical grouping  
+  
context bar at the bottom  
+  
fading in local navigation
